Vehicle License No.	State	Exp. Date	Vehicle Year	Vehicle Make	Model	Color

The annual parking permit allows the purchaser to pre-pay for parking in commuter parking spaces at a price that is a discount over the annual daily use of the machines for parking permits. The commuter parking spaces are not reserved and there is no guarantee of an available parking space in the commuter areas. Citations will still be issued for parking in non-commuter areas with shorter time limits. The term "commuter parking" means parking for a continuous period of longer than 4 hours.
