As a lifelong resident of this historic town, I can truly understand and appreciate our City's motto, "preserving the past, to enhance the future." For ten generations, my family has had the great fortune of living in San Juan Capistrano. My Latino and Native American heritage will give our City Council a unique and rarely seen perspective, important to guiding the future of our town.

For the last nine years, I have served as a Cultural Heritage Commissioner where I have worked tirelessly to preserve our history while reinforcing our economic vitality. As your City Councilman, I will utilize my knowledge of City Hall to improve public safety, ensure the efficiency of essential services, while attracting strong community relevant businesses and jobs. Additionally, I will be an approachable and attentive steward of our collective vision for the future while working to ensure that all voices are heard.

It is time to elect someone who truly understands this community, a home grown resident that will represent your needs on our City Council. I respectfully ask for your support. Please vote Nathan Banda for San Juan Capistrano City Council.
