Candidate Statement of Qualifications

CITY OF: San Juan Capistrano
OFFICE SOUGHT: Member of the City Council
WARD/DISTRICT #: 1 (if applicable)

NAME: Sergio Farias

AGE:
(Optional)

OCCUPATION: Small Business Owner

I'm a lifelong resident of the City of San Juan Capistrano. My parents were immigrants who instilled in me the value of hard work and honesty. I'll bring my problem-solving skills as a business owner and neighborhood leader to represent District 1. I was involved in the districting process, which ensured our residents have real representation on our city council.

Our district has unique challenges that need to be addressed. Having a councilmember who has experiences within our community will ensure our neighborhoods have a voice at City Hall. We need homegrown leadership that puts our local families and residents first.

I believe in protecting our open space and ensuring access for residents. Our roads and infrastructure need to be a priority. Finding real solutions to our parking and traffic issues is also a top priority.

I also want to convert El Camino Real Park into an outdoor fitness park. This will help assist our residents and create a new meeting place for our community.

I'm running for San Juan Capistrano City Council to help change the direction of City Hall, bring good high paying jobs to our city and improve the quality of life for all the people of San Juan Capistrano.

I hope to earn your vote this November.
