

## **Country Hills and Troy Homes Parking Program Information**

The permit programs in the Country Hills and Troy Homes areas were developed to relieve the impact of students and parents parking during school hours at Capistrano Valley High School and Marco Forster Middle School, respectively.

In the Country Hills area, a permit is required to stop on the street on school days. In the Troy Homes area, where signed, a permit is required to stop on the street between 7:00 a.m. and 4:00 p.m. on school days.

Permits do not need to be renewed; they are issued on a one-time basis. A maximum of two residential permits and three guest passes are allowed per household and are available at no charge.
