The City finds that Tickets provided to the City are public resources. The City desires to distribute these public resources in a manner that furthers its governmental and public purposes as reasonably described herein, such as the promotion of local businesses, community resources, programs and facilities. The City declares that Tickets may only be distributed in accordance with this Policy. Unless exempted otherwise under state law, any Ticket received or directed for use by a City Official not in conformance with this Policy remains subject to separate disclosure requirements on the City Official’s Statement of Economic Interests (Form 700) and the Political Reform Act’s annual gift limit.

2. DEFINITIONS

a. “Ticket” shall mean and refer to a “ticket or pass” as that term is defined in Title 2 of the California Code of Regulations, Section 18944.1, as amended from time to time, but which currently defines a “ticket or pass” as admission privilege to a facility, event, show or performance for an entertainment, amusement, recreational, or similar purpose.

b. “City Official” shall mean and refer to the City’s public officials, as that term is defined by Government Code Section 82048 and Title 2 of the California Code of Regulations, Section 18701.
