Del Obispo Closure at Railroad Crossing: On Friday, March 8, and Saturday, March 9, Metrolink crews will be performing nighttime track maintenance along Metrolink’s Orange County line. On these two evenings, Del Obispo Street, between Camino Capistrano and Alipaz Street, will be closed from 8:00 p.m. to 7:00 a.m. The work is scheduled to be completed by 7:00 a.m. on Sunday, March 10. Detour signs will be positioned to direct all vehicles and pedestrians to alternate routes. The City and Metrolink have coordinated with the Sheriff’s Department and Fire Authority to ensure that public safety services will not be affected during the street closure. According to Metrolink, potential impacts during the work could include noise from equipment back-up alarms, noise and vibrations from construction machinery, and increased lighting. Please see the attached flyer and public notice provided by Metrolink. Questions and concerns should be directed to Laurene Lopez, Metrolink Community Relations, at (213) 452-0433.

Proposed River Street Project Draft EIR Available for Review: The Draft Environmental Impact Report (DEIR) for the proposed River Street Marketplace Project is currently available for public review and comment. The 5.86-acre project site is located at the southeast corner of Paseo Adelanto and River Street, just north of Del Obispo Street. The project site, which is currently occupied by Ito Nursery, is proposed to be developed with 64,900 square feet of commercial and office space in five buildings. The DEIR identifies potential impacts that would result from the proposed project and identifies mitigation measures to ensure that the proposed project would not result in any significant, adverse effects on the environment. The DEIR’s public review period began Wednesday, January 30, 2019, and ends on Monday, March 18, 2019. Copies of the DEIR and supporting documents are available for public review at the City’s Planning Division (32400 Paseo Adelanto) and at the Library (31495 El Camino Road). The DEIR can also be accessed on the City’s website. Comments on the DEIR from agencies and individuals are encouraged and will be accepted during the public review period. Comments on the DEIR should be mailed to: David Contreras, Principal Planner, 32400 Paseo Adelanto, San Juan Capistrano, CA 92675, or e-mailed to dcontreras@sanjuancapistrano.org. Following the close of the public review period, the City will prepare responses to all comments for inclusion in the Final EIR. The Final EIR will need to be certified as complete by the City Council prior to making a decision to approve or deny the project.
