Northeast Open Space Community Workshops and Online Survey: At its regularly scheduled meeting of September 17, 2019, the City Council will receive an informational report on community feedback received at two Northwest Open Space (NWOS) public workshops that occurred in June 2019, as well as results of an online survey conducted in August 2019. Pursuant to City Council direction, the workshops and online survey were intended to offer the public an opportunity to provide input on preferred uses for the overall NWOS property. The complete report is available on the City’s website.

Draft Local Hazard Mitigation Plan Available for Public Review: The City is currently in the process of updating its Local Hazard Mitigation Plan (LHMP). The LHMP provides elected officials, public safety personnel and members of the public with information regarding the threats from natural and human-caused hazards in our community. The LHMP will also recommend specific actions to proactively mitigate these threats before disasters occur. The draft document is currently available to the public for a 30-day review and comment period that began on September 10, 2019. A copy of the draft document is available on the City’s website as well as at the Office of the City Clerk located at 32400 Paseo Adelanto. For questions and to provide comments, please contact Lynn Mata, Emergency Services Manager, at lmata@sanjuancapistrano.org or (949) 443-6304.

Fire Season Preparedness Tips: With California’s fire season underway, the Orange County Fire Authority encourages residents to “Be Ember Aware.” Embers are burning pieces of vegetation or other flammable material and the leading cause of structural damage from a wildfire. Vegetation management is a critical step in wildfire preparedness. Residents should remove all dead and dying plants near the home, prune and remove plants near windows, and use fire-resistant plants whenever possible. For more information, please visit the OCFA website or call (714) 573-6771 to schedule a Wildfire Home Assessment. To receive up to date information during a wildfire or any emergency, residents are encouraged to register for AlertOC, the mass notification system utilized by the City to notify residents and businesses of emergencies that may require immediate lifesaving actions. To register, visit the AlertOC website or text ALERTOC to 888777.
San Juan Summer Nites – September 18: Join us Wednesday, September 18, as we bid farewell to summer with the final concert of the San Juan Summer Nites series. Classic Rock band The Trip will close out this year’s festivities from 6:00 p.m. – 8:00 p.m. at Historic Town Center Park (31852 El Camino Real). The event will feature food and drink provided by local restaurants, business expo vendors and free activities for kids. This year’s concert series also includes special event trolley service from 4:00 p.m. – 9:00 p.m. on concert evenings.

2019 Inner-coastal and Watershed Clean-up Day: The City of San Juan Capistrano is participating in the annual creek clean-up event for San Juan Creek and Arroyo Trabuco Creek on Saturday, September 21. Registration begins at 8:00 a.m. and the clean-up will take place from 8:30 a.m. to 12:00 p.m. Parking for the event will be available at City Hall and lunch will be provided to volunteers. To register, please contact Jeremy Hohnbaum, Senior Civil Engineer, at jhohnbaum@sanjuancapistrano.org or (949) 324-5029. For additional information, please see the attached flyer.
