OCFA Open House Events: The Orange County Fire Authority (OCFA) is hosting an Open House event on Saturday, October 5, at its Headquarters located at 1 Fire Authority Road in Irvine. The event will be held from 10:00 a.m. – 3:00 p.m., and attendees will be treated to a free lunch, fire engine rides, rescue dog demonstrations, activities for kids and more! For additional information, please visit the OCFA website, call (714) 573-6200 or see the attached flyer. Additionally, San Juan Capistrano’s Station 7, located at 31865 Del Obispo Street, will be hosting an Open House event on Saturday, October 12, from 10:00 a.m. – 1:00 p.m. Residents who bring a new, unwrapped toy for children in need will be entered to win a station tour and ice cream social. For additional Station Open House locations across the county, please see the attached flyer.

Senior Flu Vaccination Clinic: On Tuesday, October 8, Memorial Health Care and the City of San Juan Capistrano are hosting a free flu vaccination clinic for adults 55 and older. The flu clinic will be held from 10:00 a.m. – 12:00 p.m. at the San Juan Capistrano Community Center (25925 Camino Del Avion). No appointment is necessary, though vaccinations will only be available while supplies last. Complimentary hearing screenings and senior services information will also be available at the event. Please remember to consult with your health care provider before receiving a flu vaccine if you’ve been recently ill. For additional information, please see the attached flyer or contact the Community Services at (949) 493-5911.

John Wayne Airport Noise Event Portal: In order to monitor aircraft noise and mitigate impacts to residents, this week John Wayne Airport launched a new noise event collection and management system called Viewpoint. The Viewpoint portal allows users to submit questions or concerns about a noise event directly from their smartphone, tablet or computer. Submitted information is sent directly to the Airport’s Noise and Operations Management System, enabling staff to receive up to the second data on aircraft operations. This new tool will assist Airport personnel in enforcing requirements regarding hours of operation and noise levels. Please see the attached instructions for downloading the portal on an Apple or Android device and setting up a user account.
Read to a Dog with BARK: BARK is a volunteer organization that offers children the opportunity to practice their reading skills with a supportive K-9 companion every other Thursday from 3:00 p.m. – 4:00 p.m. at the San Juan Capistrano Library located at 31495 El Camino Real. The next opportunity to participate is scheduled for Thursday, October 17. A complete calendar of fun and educational programs offered at the Library is available on their website. For additional information, please contact the Library at (949) 493-1752.
